

Consolidate your EP validations

Valipat is a **quality driven one-stop module** available directly from orbit.com interface. Designed by IP experts, Valipat enables you to order quickly and in a secure way European Patent validations in each EP Member State.

Your Advantages

- **Centralize** the process of validation with no enrollment fees
- **Control** your budget
- Obtain a **guaranteed and firm quote before submitting order**
- **Place one order** through our web-based interface orbit.com and **receive one invoice**
- **Benefit** from specialist competence

Financial Comparison

Traditional validation	Valipat's validation
Cost uncertainty.	Fixed and guaranteed prices.
Multiple invoices in different currencies.	One invoice in currency of choice.
Inaccurate and delayed quotes.	Firm quotes in minutes.
Frequent unexpected and unbudgeted costs.	Financial transparency and no add-ons.
Varying payment terms.	Standard payment terms-60 days after invoice.
No room for cost savings.	Cost savings through: use of same translation in two countries or in one country and the EPO, charge of single combined filing fee for validations in Belgium plus the Netherlands.

Administrative Comparison

Traditional validation	Valipat's validation
Correspond with multiple attorneys.	One stop shop.
Many orders, agenda entries, etc.	One single order.
Multiple invoices, payments, etc.	One invoice and one payment.
Use of paper correspondence.	Paperless emails.
Use of different forms.	User-friendly interface.
Multiple Power of Attorney (PoA) forms with different wordings and different execution requirements.	One set of uniform pre-filled general PoAs sent to client with confirmation of the order. Local variations are eliminated. General PoA forms is recommended.
Process takes multiple hours.	Process takes a few minutes.
Multiple validation certificates received, requiring processing at different dates.	Single report received with all validation certificates, either in a paper binder or as an e-file.
